

CITY OF VISALIA
MISSION STATEMENT

The Mission Statement, adopted in January 1981, and revised in March 1988, states that the City of Visalia Strives;

To assure that citizens are provided with

- a clean, safe, well-managed, financially sound, aesthetically pleasing, and environmentally pleasant city in which to live;
- a forum for meaningful participation in political decisions affecting their well-being;
- occupation, recreational and cultural opportunities for self-fulfillment;
- a positive climate for business development.
