Fire Damages Visalia Home

On Tuesday, November 8, 2016, at 5:09pm, the Visalia Fire Department was dispatched to a residential structure fire at 4403 W. School. Upon the arrival of the first fire unit, they found a single story, single family residential structure with an attached garage fully involved and the fire spreading into the main part of the structure. Fire personnel attacked the fire and we able to bring the fire under control in approximately 15 minutes. There were four occupants home at the time of the fire and all were able to escape with no injuries. The fire caused an estimated \$60,000 in damage to the structure and \$25,000 in damage to the contents. The cause of the fire is currently under investigation. Four fire engines, one ladder truck, one battalion chief and one training captain responded to the incident, with a total of 17 personnel.
