This Memorandum of Understanding is entered into pursuant to the Meyers-Milias-Brown Act (Government Code Sections 3500-3510).

ARTICLE 2: AUTHORIZED AGENTS AND RECOGNITION

Section 1: Authorized Agents

For the purpose of administering the terms and provisions of this Memorandum of Understanding, the following authorized agents have been designated:

Section 2: Recognition

The City recognizes and expressly acknowledges the Union as the exclusive collective bargaining representative and employee organization for employees covered by this Memorandum of Understanding, the employees in Group M. A list of the represented classifications is attached as Attachment A.

ARTICLE 3: CITY RIGHTS

A. It is understood and agreed that the City has in reserves all the customary and usual rights, powers, functions, and authority customarily exercised by

management, unless otherwise specifically designated or modified by the express provisions of this agreement.

- B. Any of the rights, powers, functions or authority which the City had prior to the signing of this agreement, or any agreement with the Union, including, but not limited to, those in respect to rates of pay, hours of employment or conditions of work, are specifically retained by the City, except as those rights, powers, functions or authority are specifically abridged or modified by the express provisions of this agreement.

ARTICLE 4: UNION SECURITY

- A. The Union recognizes its obligation to cooperate with the City of Visalia to maximize service of the highest quality and efficiency to the citizens of the City, consistent with its obligation to the employees it represents. The City and the Union affirm the principle that harmonious labor-management relations ought to be promoted and furthered.
- B. Pursuant to legislation enacted in September 2000 by SB739 and amendment to the Meyers-Milias-Brown Act, the City and the Union agree to abide by the following provisions as they relate to an agency shop and an agency shop election.
 - 1. Agency Shop as defined under Meyers-Milias-Brown means "an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization, or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments of the organization." The City and the Union agree that an agency shop arrangement between the City and Union has been placed in effect pursuant to an employee election.
 - 2. Any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment. Such employees shall be required, in lieu of periodic dues, initiation fees, or agency fees, to pay a sum equal to the dues, initiation fees, or agency fees to a non-religious, non-labor charitable fund exempt from taxation under Section 501(C) (3) of the Internal Revenue Code, chosen by the employee from a list of three (3) approved by the Union and City for the purpose of payroll deductions. Proof of the payments shall be made on a bi-weekly deduction report to the Union as a condition of continued exemption from the requirement of financial support of the Union.
 - a) To qualify for the religious exemption, the employee must provide to the Union, with a copy to the City, a written request for the exemption, along with the verifiable evidence of membership in a religious body as described above. The City will implement the religious exemption within

thirty (30) days of the written request unless notified by the Union that the requested exemption is not valid.

3. Covered employees shall execute written authorization for either Union dues deductions, the agency fee, or if eligible, the charitable contribution. In the absence of a written authorization, the City shall deduct the agency fee from the employee's paycheck. The City agrees to promptly remit to the Union all monies deducted accompanied by a "Bi-weekly Agency Fee Deduction Report" to include names and amounts of deductions in the same manner and time frames as the current provision of the dues deduction reports.
4. An agency shop provision may be rescinded as provided by State law.
5. An agency shop arrangement shall not apply to management, confidential, or supervisory employees.
6. Upon entering into an Agency Shop arrangement, the Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an opening statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or a certified public accountant. An employee organization required to file financial reports under the federal Labor-Management Disclosure Act of 1959 (29 U.S.C. Sec. 401 et seq.) covering employees governed by this chapter, or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the public agency with a copy of the financial reports.

It will be the member's responsibility to initiate the request in the manner prescribed by the City.

Thereafter, increases will be allocated equally between employee and dependent health care contributions unless otherwise negotiated. Any decreases in health care contributions shall be applied to the employee contribution until both contribution amounts are the same. Thereafter, decreases will be applied equally to employee and dependent contributions. Once employee contributions and

dependent contributions have equalized, any increase or decrease in health care contributions shall be applied equally to employee and dependent care contributions.

- D. Group "M" agrees to participate in an Employee Health Benefits Committee (EHBC). The purpose of the EHBC is to cooperatively manage the City's Health Benefits Plan by providing oversight on the plan's resources, remain fiscally sound, provide the best benefits available to employees given available resources, improve administration of the plan, and make appropriate recommendations for change as researched and considered by the Committee. The EHBC is made up of all bargaining groups and City management. The EHBC does not replace collective bargaining agreements. Employee representatives are only empowered to act to the extent authorized by their respective agreements.
- E. Increases in health plan costs, if any, may be paid via changes in the health plan as confirmed by the plan's actuary, if agreed to by 5 of the 6 units (5 bargaining groups plus city management). In the event that approved plan changes exceed the employee cost increases, 75% of excess plan savings costs will be credited to the employees' contribution for current or future health plan cost increases.
- F. The current spouse of a retiree of this group that survives said retiree will, upon the death of the retiree, be allowed to maintain the health and vision coverage then afforded to retirees in accordance with the current contribution rate schedule, so long as the spouse was covered at the time of the retiree's death. This benefit will be made effective as soon as operationally feasible and allowed by PERS.
- D. Effective with the pay period beginning September 11, 2010, Group M employees will assume responsibility for payment of 4% of the employer's contribution for PERS. Section 1: Sick Leave

- A. Group "M" Bargaining Unit Employees receive sick leave time consistent with the provisions of the current City of Visalia Personnel Policy Guidelines concerning sick leave summarized below, subject to the provisions herein.
- B. Regular full-time employees are granted twelve (12) days of sick leave each year of which eight (8) days may be used as personal leave for family emergencies and/or illness. This time is accrued at the rate of 3.692 hours per pay period.

Regular part-time employees accrue sick leave on a pro-rated basis. Employees working twenty (20) hours per week receive one-half (.50) of this accrual. Employees working thirty (30) hours per week receive three-fourth (.75) of this accrual. Sick leave may be accrued to four hundred and eighty (480) hours, except for employees hired before December 1, 2004. Sick leave accruals will be credited at the start of the following pay period..

- C. For those employees governed by the four hundred and eighty (480) hour cap, the City will annually buy back all hours in excess of the cap at forty percent (40%) of the employee's rate of pay.
- D. Employees hired prior to December 1, 2004, have elected either to be governed by the new accrual cap or they may accrue sick leave without limit. Those employees who have elected to accrue sick leave without limit may sell back annually up to six (6) days of sick leave less any days used, but at only fifty percent (50%) of pay.
- E. Employees must be employed for at least three (3) months in order to be eligible for the sick leave benefit.
- F. An employee who is ill for more than ninety (90) days and has exhausted sick leave benefits may be eligible for Long Term Disability (LTD). Employees must contact Risk Management in order to apply for LTD.
- G. Employees who return to work after a non-work related medical disability leave, if the leave is of reasonable length (reasonable is considered not to exceed four (4) months) will be returned to their former positions or to a position substantially equivalent in responsibility, pay and benefits, subject to the availability of a vacant position for which the employee is qualified.
- H. All employee benefits will continue during sick leave under the same terms and conditions as if the employee were at work provided the employee has time in his/her sick leave bank.
- I. Effective May 30, 2015, unit employees pay for their own coverage under the City's Long Term Disability (LTD) Insurance Program. The LTD premium previously paid by the City was converted to base salary. Employees are responsible for 100% of any future increases.

Section 2: Family Care & Medical Leave

The City will provide family and medical care leave for eligible employees, in accordance with the Federal Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), City of Visalia Personnel Policy #316.

ARTICLE 14: LAYOFF POLICY

A. Purpose

1. It is recognized that when it is necessary to reduce City employment due to fiscal constraints, reductions in revenue, reorganization, a reduction in municipal services, or a reduction in the demand for service, such action and its implementation, except as qualified herein, shall be at the sole discretion of the City.
2. The purpose of this Article is to establish the regulations pertaining to lay-off and seniority and establish procedures involved in the application of this Article.
3. Employees affected by the outsourcing of City services and/or programs shall be considered as laid-off and subject to the terms and conditions of this Article if the City is unable to arrange employment with the outsourcing contractor
4. When it is deemed necessary to reduce City employment by layoff of employees, the layoff procedure shall protect the right of the City to retain qualified employees, while recognizing the seniority of affected employees as outlined below.
5. Such lay-offs shall occur by classification within the department. The department head, with approval of the City Manager, shall determine the classification, number of positions to be affected within a department, the lay-off date, and shall notify the Human Resources Manager and the Union in writing at the earliest possible date.

B. Policy

This Article and the procedures outlined herein apply to all employees in employee bargaining unit Group M (Northern California Carpenters Regional Council) whose positions may be eliminated as outlined above.

C. Definitions

1. Lay-off

- a) An action caused by a reduction of authorized, budgeted positions wherein an employee is laid-off from the work force. The term "Lay-off" shall include removal from city employment or reassignment to a former or other class pursuant to this Article.

2. Classification

- a) The job title and job description are the City's official description of the representative duties, responsibilities and employment qualifications of a job.

- b) Classification means one or more regular positions grouped according to the duties and responsibilities assigned to a specific job title.
- c) A classification series consists of a grouping of two or more job classes performing similar work, but at different levels of responsibility, difficulty and pay (i.e. Worker, Senior Worker, Lead Worker).

3. Seniority

- a) Seniority for the limited purposes of this article shall mean the time an employee was first granted permanent status in the current classification, subject to the following:
 - 1. Credit shall be given only for continuous service with the City of Visalia in all regular classifications served.
 - 2. Continuous unbroken time worked includes time during which the employee was absent with pay. Approved leaves of absence without pay maintain the continuity of employment, but the duration of the leave shall be deducted from the total continuous time period except as provided by State and/or Federal law.
 - 3. In cases where there are two or more employees in the classification from which the lay-off is to be made who have the same seniority date, such employees shall be laid off on the basis of the last evaluation rating in the classification in which they are currently employed. In such cases, the employee(s) within the lower evaluation rating will be laid off first.
 - 4. For bumping purposes only, seniority shall be calculated by adding service time in all higher classification(s) (or all time in a class series if bumping within the series) to service time in the classification to which the employee is attempting to bump.

4. Bumping Rights

- a) Bumping rights or bumping shall mean the right of an employee, based upon the seniority as defined in Article 14, Sections C, 3, 4, to displace another employee ("bump" into another classification.)
 - 1. An employee shall be permitted to bump into any classification he/she previously held regular status in, provided that they have seniority over the person being bumped. Bumping shall also be permitted to lower level positions in the same classification series.
 - 2. No employee shall have the right to bump into a classification for which the employee does not possess the minimum qualifications

of the classification, such as specialized education, training, certifications, knowledge, skills and abilities.

3. An employee who is bumped shall have the same rights as provided herein and shall be considered laid-off for the purposes of this Article.

D. Scope and order of lay-off

Lay-off shall occur within a job classification and division in inverse order of seniority in the following order of employee status.

1. Contract
2. Hourly (Extra Help) – Temporary
3. Probationary
4. Regular employees. Part-time employee's service time shall be prorated for the purposes of computing seniority.

E. Notification

1. In the event the City should anticipate a lay-off of employees covered by this Article, the City will notify the Union of its intention prior to making any such layoffs.
2. The City, prior to any lay-offs or announcement of lay-off, shall meet and confer with the Union regarding the impact of the decision to lay-off. Nothing in this section relinquishes the City's right to lay-off employees. The City shall, upon request, explain the rationale/need for the layoffs.
3. Employees subject to lay-off shall be given at least thirty (30) working_days advance notice in writing. A lay-off notice shall include the following information:
 - a) Reason for lay-off
 - b) Effective date of the lay-off
 - c) The employee's calculated seniority date
 - d) Classes to which the employee may request displacement within the City.
 - e) A copy of this Article 14, the Lay-off and Seniority article of this Memorandum of Understanding.
4. An employee who has bumping rights shall notify the Human Resources Manager within ten (10) working days after notice of layoff of his/her intention to exercise bumping rights.

F. Reemployment

1. Employees who are laid off shall have their names placed on a reemployment eligibility list for their current classification or a classification they previously

held which shall be maintained by the City as long as any employee is in laid-off status.

2. **Reemployment Eligible List:** The reemployment eligible list shall consist of the names of employees and former employees having probationary or regular status who have been laid off or whose positions have been reallocated as a result of reclassification. The affected employees shall be placed on the reemployment eligible list. Such lists shall take precedence over all eligible lists. Reemployment eligible lists shall be established and maintained for a period of two (2) years from the date of separation or demotion.
3. The Human Resources Manager shall make every effort to place an employee who has been laid off in a vacant position for which he/she is qualified during the life of the reemployment list.
4. An employee whose name is active on the reemployment list and had been employed with the City, for at least three consecutive months prior to lay-off, shall be eligible to apply for any promotional recruitment.

G. Voluntary Demotion in lieu of lay-off

1. An employee scheduled to be laid off may voluntarily demote to a vacant lower class, provided the employee possesses the minimum qualifications for the lower position, as determined by the Human Resources Manager.
2. Employees may also demote to any previously held vacant position, wherein their performance in that position has been documented to be satisfactory.
3. To be considered for voluntary demotion in lieu of lay-off, an employee must notify the Human Resources Manager in writing of this election no later than ten (10) calendar days after receiving notice of layoff.

H. Appeal

Appeal of decisions made under this policy may be made through Article 17, Grievance Procedure of this Memorandum of Understanding.

ARTICLE 15: STEWARDS

- A. The Union agrees to notify the City of the identity of its Stewards. One Steward shall be allowed in each department. If the department consists of more than one physical work location, a Steward shall be allowed in each separate physical work location. If more than twenty-five (25) employees in the same department are assigned to one physical work location, one Steward shall be allowed for each twenty-five (25) employees. The Union may request additional Stewards

where departmental circumstances warrant such action. Alternate Stewards may be designated to serve in the absence of the Steward.

- B. An employee and/or his/her "union steward" representatives may, when and to the extent necessary, take official City time without loss of compensation in order to participate in the investigation and processing of a grievance as provided for in Article 17, upon notification and approval of the Human Resources Manager or his/her designee.
- C. The employee's supervisor will approve the employee and/or union steward taking official City time to investigate and process a grievance when and to the extent necessary and only if it will in no event adversely affect the operational, security or safety requirements of the City. Occasional brief phone calls will not require prior approval.
- D. It is understood that the employee and/or union steward shall make every reasonable effort to perform any of the above activities during off-duty time.
- E. The Union shall reasonably distribute workload among stewards so as to avoid excessive time-off for any one individual(s).

ARTICLE 16: PERSONNEL PRACTICES

Section 1: Probationary Period

The probationary period will be for twelve (12) months and subject to the provisions of Policy #110 of the City of Visalia Personnel Policy Guidelines.

Section 2: Performance Evaluation

If performance evaluations are not completed within 60 calendar days of their due date, the appropriate merit raise (or step) shall be considered to be automatically granted. The merit increase will be granted retroactive to the due date.

Section 3: Safety Reporting Procedure

When an employee has reason to believe a work assignment is in an unsafe work area or involves unsafe equipment, the employee shall report the problem to the immediate supervisor. The supervisor shall, as soon as is reasonably possible, inspect the area and/or equipment. Should the supervisor, after such inspection, order the employee to work, the employee shall do so unless the employee believes, within reason, the work environment to be unsafe. In such instance, the employee may request the department head or assistant department head to inspect the work area. The employee will be assigned other work until the inspection is made. The decision of the department head is final. Nothing herein shall be deemed to waive the employee's rights under CAL-OSHA.

Section 4: Drug Free Work Place

The City and Union agree that they are committed to providing and maintaining a drug free work place in accord with the Drug Free Work Place Act of 1988. It is understood that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the work place and that violation of this provision will subject the employee to disciplinary action. It is also agreed that every reasonable effort will be made to inform employees about the dangers of drug abuse in the work place, the availability of any counseling or rehabilitation, as well as the Employee Assistance Program, and that disciplinary action may be imposed upon employees for drug abuse violations occurring in the work place or affecting work performance and/or safety.

Section 5: Jury Duty

The employee will receive his/her base pay for any and all working days of jury service. The City will continue the employee's regular paycheck. The employee will waive any monies awarded by the court system for serving on a jury directly through the appropriate court system, but will be eligible to receive any mileage reimbursement paid by the courts. The employee will supply documentation of jury time served to the Finance Department.

Employees who are called for jury duty, but who work a swing or graveyard shift, shall be excused from that shift for a number of hours equal to that spent on jury duty that day. Work schedules shall be accordingly adjusted in such a way as to provide for the most logical sleep time, etc.

A. Procedure:

1. The employee shall present his/her supervisor, the subpoena or other document which gives instructions to report for jury empanelment upon receipt.
2. Upon selection for jury duty, the employee shall notify his/her supervisor verbally, and advise him/her of the estimated length of the trial.
3. Upon reporting for jury duty, the employee shall notify the court that he/she wishes to waive any monies or stipend awarded by the court system for his/her jury service. However, the employee will be eligible to claim and receive the mileage reimbursement provided by the court system.
4. The employee shall report for jury duty each day as instructed by the court. At times the employee may be released from jury service during normal working hours; when this is the case, the employee shall be required to be at work, when practical.

5. The employee's supervisor may require an attendance slip verifying his/her actual days of jury service. If an attendance slip is required, it should be attached to the employee's time card to complete that record.

Section 6: Required Driver's Licenses – Class A & B

The City will reimburse costs incurred in the maintenance and/or renewal of Class A or Class B California Driver's Licenses for employees covered by this MOU, who are required to maintain such license as a condition of employment. Such reimbursement will be as follows:

- Medical evaluation every two years as required by the Department of Motor Vehicles
- Renewal Fee – the difference between the renewal fee for a Class A/B driver's license and a Class C driver's license. The only exception will be for any costs incurred as a result of the employee allowing his/her license to lapse and/or not following through with the required medical evaluation process in a timely manner.

Section 7: Labor Management Cooperation Committee

Upon ratification of the Memorandum of Understanding, a joint Labor-Management Committee will be formed, consisting of an equal number of representatives, with no more than three (3) representatives each from the Union and the City. This committee's focus and purpose will be to promote harmonious Labor-Management relations through on-going communications and to advance the proficiency and effectiveness of both the workforce and the City organization.

Section 8: Personnel Files

An employee or his/her designated employee representative, with the written consent of the employee, shall be entitled to review his/her official personnel file maintained by Human Resources upon request. No such material shall be filed in the employee's official City personnel file until the employee has had the opportunity to acknowledge receipt of such material. If the employee chooses to respond in writing to any document placed in his/her personnel file, the employee's response will be attached to that document and filed in his/her personnel file.

Supervisors, Managers, and/or Department Heads may keep working files on their assigned employees and these files are for the exclusive use of the above mentioned persons. This department working file should be purged on an annual basis provided there is no on-going performance issue or problem requiring documentation.

Human Resources will develop supervisor guidelines for working files which require annual purging of information older than one (1) year that is not part of an ongoing discipline matter. Human Resources will periodically review with supervisors their files to encourage compliance and good personnel practices.

ARTICLE 17: GRIEVANCE PROCEDURE

Section 1: Purpose

To resolve conflict and to provide an appeal process for any regular full time or regular part-time employee who feels that he/she has been personally adversely affected by the interpretation, application or administration of this Memorandum of Understanding or the City of Visalia's Personnel Policy Guidelines.

Matters which are not subject to the Grievance Policy include the following:

- Discipline, including reprimand, suspension, demotion and discharge.
- Any defenses to discipline, such as an alleged failure to follow City Corrective Counseling (Discipline) procedures (such defenses must be raised in the appropriate disciplinary proceeding, and may not be separately grieved).
- Complaints concerning equal employment opportunity, affirmative action, or sexual harassment, which are subject to the procedures in City of Visalia Personnel Policies 101 and 120.
- Other matters for which a specific method of review is provided by law, by the rules and regulations of the City Council or by administrative regulations and procedures of this City are not within the scope of this Grievance Policy.
- Matters of concern to an employee which are not eligible for the procedures set forth in either City of Visalia Personnel Policy 101 Equal Employment Opportunity/Affirmative Action, Policy 116 Corrective Policy (Discipline), Policy 117 Grievance Policy or Policy 120 Sexual Harassment may be addressed to the Human Resources Manager.

Section 2: Coverage

Any regular full-time or regular part-time employee (including promoted probationary employees) who wishes to appeal management decisions made relative to interpretation or administration of the aforementioned areas may do so in conjunction with the provision of this Grievance Policy.

A newly hired probationary employee may not file a grievance under this Section, except that a probationary employee who feels personally adversely affected by the application of probationary rules and/or policies to him or herself, can grieve that application of probationary rules and/or policies to himself or herself.

Section 3: Definitions

A. Grievance

A Grievance is an allegation by an employee that he/she has been personally adversely affected by the interpretation, application or administration of this Memorandum of Understanding or the City of Visalia's Personnel Policy Guidelines.

B. Grievant

A Grievant may be any regular full-time or regular part-time employee of the City of Visalia.

C. Immediate Supervisor

An Immediate Supervisor is the lowest level administrator having immediate jurisdiction over the Grievant.

D. Representative

A grievant may be represented by the Union or other representative of their choosing commencing at the formal level of the grievance procedure.

E. Working Days

For purposes of this Article, working days are defined as Monday through Friday, excluding City observed holidays.

Section 4: Procedure

A. Informal Level

Prior to filing a formal grievance, the Grievant must attempt to resolve the matter informally. This informal process should begin with an informal conference between the Grievant and the Immediate Supervisor within ten (10) working days of the alleged incident giving rise to the Grievance.

B. Formal Level

1. Level I – Supervisor Review

If the Grievance is not resolved informally, the Grievant shall present the relevant facts in writing, on the form provided, to the Immediate Supervisor within ten (10) working days of the date of the informal conference.

The Grievance should clearly state:

a) The facts of the Grievance;

b) The basis for the Grievant's objection; and,

c) The remedy desired.

The supervisor shall communicate a decision in writing to the Grievant within ten (10) working days from the date the Grievance is received. Within the above time limits, either party may request a meeting, with the other, to discuss or clarify any facts/concerns regarding the grievance.

2. Level II – Department Head Review

In the event the Grievant is not satisfied with the decision of the Supervisor, an appeal may be made to the Department Head within ten (10) working days from the date the decision was rendered. Such appeal must be made in writing and include: 1) a copy of the original grievance; 2) a copy of the decision rendered, and 3) a concise statement of the reasons for the appeal.

The Department Head shall communicate a decision in writing to the Grievant within ten (10) working days from receipt of the appeal. Within the above time limits, either party may request a meeting, with the other, to discuss or clarify any facts/concerns regarding the grievance.

3. Level III – Mediation Step

If the grievance is not resolved after Level II, as an alternative to proceeding directly to Level IV, City Manager Decision, the grievance may be submitted to mediation. A request for mediation may be presented in writing to the Human Resource Manager within seven (7) working days from the date a decision was rendered at Level II. As soon as practicable thereafter or as otherwise agreed to by the parties, a mediator shall hear and attempt to mediate a resolution to the grievance. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal and shall be considered advisory. Either party may request the Mediator's informal opinion as to how an Arbitrator might rule on the issue. State Mediation and Conciliation Service shall be utilized for this mediation process.

4. Level IV – City Manager Decision

If the grievance is not resolved in the mediation step (Level III), the City Manager (or designee) may render a decision solely on the basis of a review of the record or may arrange a meeting between those affected before rendering within twenty (20) working days of notification that the mediation step was unsuccessful.

ARTICLE 18: EDUCATIONAL/TUITION ASSISTANCE PROGRAM

As set forth in City of Visalia Personnel Policy #312, the City provides educational/tuition assistance to its regular employees for the purpose of continuing

education. The City will provide up to \$1000 per fiscal year per employee to help defray education expenses for those pursuing up to an AA degree from an accredited institution, and up to \$1,500 per fiscal year for those employees pursuing a BA/BS degree or beyond.

ARTICLE 19: PEACEFUL PERFORMANCE CLAUSE

The parties to this Memorandum of Understanding recognize and acknowledge that the services performed by the City employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the City of Visalia.

In the event of any work stoppage during the term of this Memorandum of Understanding, whether by the Union or by any member of the bargaining unit, the Union by its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the City. In the event of any work stoppage the Union promptly and in good faith performs the obligations of this paragraph, and providing the Union had not otherwise authorized, permitted or encouraged such work stoppage, the Union shall not be liable for any damages caused by the violation of the provision. However, the City shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the City shall have the right to seek full legal redress, including damages, against any such employee.

ARTICLE 20: FULL UNDERSTANDING, MODIFICATION, WAIVER

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 21: SEPARABILITY

If any provisions of this Memorandum of Understanding are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 22: TERM OF CONTRACT

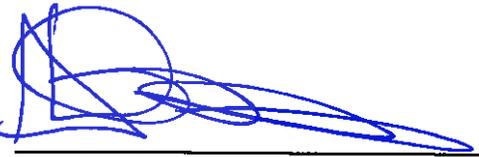

This Memorandum of Understanding shall be for two (2) years commencing on July 1, 2016 through June 30, 2018. The terms in this Memorandum of Understanding will be effective as of the approval date of this MOU by the Visalia City Council and will not be retroactive.
