

Application for New Plant Establishment Permit

If you install new landscaping during the declared Stage 4 "Water Emergency", you may apply for an exception to the day-of-week watering restrictions. The plant establishment exception does not apply to annual plants or over-seeding of established lawns. Please complete and submit the registration form below to receive a 21 exception permit to the City of Visalia's Water Conservation Ordinance. If approved, your request will allow daily watering not to exceed 30 minutes per station for up to 21 days from the date of installation. You will receive a notification confirming your request.

No more than one (1) plant establishment permit will be issued for an address per year.
