Lessons Learned from your project?

Program Guidelines: Visalia Low-Water Use Landscape Design Award

The Visalia Environmental Committee (VEC) is pleased to be hosting the Low-Water Use Landscape Design Award program. The goal of the program is to provide a venue for Visalia community members to share successes with designing and implementing low-water use landscaping. Each winner will be showcased in a “Case Study” that highlights the achievements of the landscape, and will receive a “Low-Water Use Champion” decal to display in their home or business. Thank you for helping Visalia conserve water!

- ◆ Must be a residence or business located in Visalia, CA;
- ◆ Two categories: Residential or Commercial;
- ◆ Applicant must complete the program Application and agree to allow photographs, signage etc. of the low-water use landscape;
- ◆ Program or project has been implemented; applicant should provide pictures and a site plan of the landscape design (if available);
- Projects should highlight concepts that can be easily replicated, show innovation, and demonstrate new technology.
- Each project will be judged by a committee on aesthetics, innovation, ease of replication, and water conservation achieved.

Applications can be submitted to nronline@visalia.city or delivered to 425 E. Oak Avenue, Ste. 201, Visalia. For more information, call (559) 713-4531.
