

Want to Help the Community?

Would you like to have a part in making Visalia a great place to live? The City of Visalia Committees and Commissions program is looking for local citizens with an interest in helping our community to apply to serve on one of our Committees or Commissions.

Each of our Committees or Commissions is comprised of individuals (like you) with a passion to serve their neighbors and Visalia to make this community one of which that we can all be proud.

The City Clerk's Office is continually accepting applications which will be kept on file for a period up to two-years. As vacancies occur applications are submitted to the respective Committees for interviews & recommendation then to the Citizens Advisory Committee for final review, final selections are then presented to the Visalia City Council for approval. Those appointed can serve up to three two-year terms for Committees or four two-year terms for Commissions.

Committees and Commissions are as follows:
